## MUNDGEBLASEN, MEISTERLICH VON HAND GEMACHT.

Aus der Einheit von aktuellem, klarem Design und der seit 1872 bestehenden Tradition der manufakturellen Kristallglasfertigung beziehen unsere Kollektionen ihre charakteristische Individualität. ZWIESEL 1872 steht für exklusive Kollektionen, die Ruhe, Eleganz und Zeitlosigkeit ausstrahlen. Jedes Glas besitzt die Qualität eines Einzelstückes, denn Manufakturglas ist lebendiger, sinnlicher und bis ins Detail stilvoll nuanciert.

## MOUTH-BLOWN AND MASTERLY HANDMADE.

*Our ranges gain their characteristic individuality through the synthesis of our contemporary, clean design and traditional knowledge of the glass makers art – stretching back to 1872. ZWIESEL 1872 represents an exclusive collection that emanates calm, elegance and timeless quality. Hand crafted glass has a special dynamic, more sensual feel, and unique details which mean each glass is an individual work of art.*

## KLASSISCH-ELEGANT ODER URBAN-KREATIV

Die Qualität eines Cocktails lebt maßgeblich vom Glas: Spirituosen sind für die Verkostung und den Genuss nicht weniger komplex als edler Wein. Unsere Partner für alle Fachfragen rund um Drinks und Cocktails, namhafte Barkeeper und Profis, inspirieren und prüfen unsere Entwürfe. Alle, an professionellen Maßstäben ausgerichteten SCHOTT ZWIESEL Barserien, sind in den Bars der Tophotels rund um den Globus ebenso zuhause, wie in der klassischen Lounge oder der Szenebar. Aber auch auf dem gedeckten Tisch, bei der privaten Cocktailparty und für Kenner und Genießer ist unsere Bar-Collection gemacht: Funktional, unkompliziert und dabei immer elegant passen die Serien für viele Anlässe.

## CLASSICALLY ELEGANT OR COSMOPOLITAN AND CREATIVE

*The quality of a cocktail is largely determined by the glass in which it is served: spirits are just as complex as noble wines and should be tested and enjoyed accordingly. Our designs are inspired and approved by competent bartenders and professionals, our partners in all questions relating to drinks and cocktails. SCHOTT ZWIESEL barware meets even the most exacting professional standards, making it a popular choice in the bars of top hotels around the globe just as in classic lounges or trendy bars. But our Bar Collection is also ideal for private dinners and cocktail parties, and for anyone who appreciates fine spirits and cocktails: functional, uncomplicated and flawlessly elegant, our glasses are the perfect choice for just about any occasion.*

# BAR COLLECTIONS

By Charles Schumann

„Bars haben ihre eigene Mythologie. Wer da mit schnellen Effekten Erfolg machen will, hat etwas Elementares nicht verstanden. Bars sind Orte, an denen die Summe gelungener Details die Atmosphäre macht, nicht der Pomp und nicht die aktuelle Mode.“

*“Bars have their own mythology. Those seeking to succeed with fast effects have misunderstood something very basic. Bars are places where the sum of accomplished details makes up the atmosphere – not showiness or current trends.”*

Charles Schumann,

## BASIC BAR, SCHOTT ZWIESEL

Das Design der Serie BASIC BAR von SCHOTT ZWIESEL folgt dem Anspruch, mit jedem Glas den spezifischen Charakter des jeweiligen Drinks zu unterstreichen. Drei Kollektionen mit geschliffenen Gläsern ergänzen die Serie: BASIC BAR CLASSIC mit einem traditionellen Karo-Schliff, BASIC BAR MOTION mit modernem Keil-Schliff, der an bewegte Gräser erinnert, und BASIC BAR SURFING mit wellenförmigem Keil-Schliff. Dieser weckt Assoziationen an das Meer, den Strand, Surfen und Segeln. Bei den Schliffen handelt es sich nicht um Pressdekore, sondern um richtige Schliffe, wodurch sie stark an Qualität und Brillanz gewinnen.

*Each glass in the BASIC BAR series by SCHOTT ZWIESEL has been specially designed to accentuate the specific character of the drink for which it is intended. Three collections of cut glassware make up the collection: BASIC BAR CLASSIC with a traditional diamond cut, BASIC BAR MOTION with a modern tapered cut - reminiscent of moving blades of grass - and BASIC BAR SURFING, with a wave-like tapered cut. The latter evokes associations with the ocean, the beach, surfing and sailing. The finishes are not created using glass pressing techniques, but are actually cut, increasing both the quality and the brilliance of the glassware.*

## HOMMAGE, ZWIESEL 1872

Die exklusive Manufakturkollektion HOMMAGE von ZWIESEL 1872 widmet sich der klassischen Barkultur und verbindet Ästhetik und Genuss auf einzigartige Weise. Drei markante, differenziert gestaltete Schliffarten schaffen ein unverwechselbares Spiel mit Licht und Farbe. HOMMAGE COMÈTE interpretiert klassischen Schliff mit moderner Raffinesse neu, HOMMAGE GLACE bringt das Glas optisch in Bewegung und HOMMAGE CARAT zeigt sich mit edel anmutender, flächiger Schliffstruktur.

*The exclusive manufacturing crystal glass collection homage by ZWIESEL 1872 to classic bar culture and combines aesthetic and sensual pleasure in a unique manner. Three distinctive cutting styles create a unique play of light and colour. HOMMAGE COMÈTE reinterprets the classic cut with modern finesse, HOMMAGE GLACE creates the illusion of movement in the glass and HOMMAGE CARAT presents a stylish, large-surface pattern. Filled with golden whiskys or classic cocktails like Martinis, the glass and beverage combine to create a special visual experience.*
